How do you grow your business and increase revenue in these tough times?

Finding new customers can be difficult and expensive. One of the best ways to grow your business is through existing customers.

- Offer annual service plan to automatic pool cover owners to generate more revenue as well as provide a much needed service for your customer.
- Offer automatic pool cover cleanings or sell the products to do it themselves

Cleaner & Protectant: Coverstar Central has engineered two specially formulated products designed exclusively for use with the automatic pool covers. The **Cleaner** removes ugly waterline and stains without harsh chemicals which will damage the fabric. The **Protectant** adds a shiny new coating giving luster without adding harmful alcohol used in similar products. Watch our video with tips on automatic pool cover cleaning.
